

Assignment 1.14: Small Group Workplace Visits

Instructions: In groups of 3, you will do observations at 3 different workplaces. Take turns as Observer #1, Observer #2, and Observer #3. Each person is responsible for being able to answer the questions assigned to them. When describing a job they observed, everyone should describe different jobs (where possible). Take notes, and complete the summary table afterwards.

Everyone	Observer #1	Observer #2	Observer #3
What is the name of the company?	What is 1 job you observed? What did they do and what equipment did they use?	What is 1 job you observed? What did they do and what equipment did they use?	What is 1 job you observed? What did they do and what equipment did they use?
	What does the company do?	Describe any safety signs you saw.	How did the workers dress?
	Who are their main customers?	Describe any safety equipment or clothing you saw.	Why do you think the workers work here? Do they seem to enjoy it?
